

## **FINAL NOTICE**

**SUB: INSTALLATION AND FUNCTIONING OF CCTV CAMERAS IN THE PREMISES OF THE DENTAL COLLEGE**

It is extremely surprising that despite of repeated reminders to the Notice published on DCI's Website on 15.11.2016, some of the Dental Colleges as per list attached are not complying with the directions of the Dental Council of India contained in its Circular dated 15.11.2016 to install the cameras in the following areas configured with the suitable static IP address (username and password), which is to be shared to DCI:-

1. OPD Registration Counter
2. Area where Bio-Metric Attendance Machine installed for Dental Faculty
3. Conservative Dentistry & Endodontics Clinic
4. Any one Lecture Hall

Further, the Executive Committee of the DCI in its meeting held on 21.12.2017, has taken a serious view and decided to issue a final notice to such defaulting Dental Colleges giving them 30 days time for strict compliance in this regard, failing which the stringent action will be initiated against them and they shall be responsible for consequences thereof, if any.
