To

Sub: **Issuance of online NOC for no objection certificate for doing one year paid rotating internship programme - regarding.**

Sir/Madam,

I am directed to state that the DCI has, in order to make the process hassle free in getting the NOC by the applicant seeking his/her transferred for doing one year paid rotating internship programme from one recognised dental college to another recognised dental college, **made an online portal**. All the students those have completed their final year BDS Course from a recognised dental college and interested to get themselves transferred to another recognised dental college for the purpose of doing their one year Paid Rotating Internship Programme, are now required to apply through the online portal of DCI. The NOC of the DCI for the purpose, in reference to the details submitted by the applicant, including the NOC from both of the dental institutions on this portal **which will be effective from 15<sup>th</sup> January, 2018**, will be sent to the concerned applicant at his/her email ID as well as to both of the dental institution i.e. parent and transferee dental institutions of the applicant, for the purpose; thereafter, the transferee dental institution will process the request of the applicant further based on the NOC sent by DCI at their respective email IDs, after verifying the other details of the applicant as per their rule/regulations and guidelines.

2. Besides the above, I am also directed to say that if any applicant who may not be aware to fill his/her request online and approaches to your institution, for the purpose, be asked to apply online to DCI.
