DCI's Circulars No. DE-Comp(Website)-2014/6423 dated 15.09.2014

Sir,

I am directed to refer to DCI's Circulars under reference thereby requesting all the Dental Colleges to upload their information/details viz. college details, faculty, students, infrastructure, etc. on DCI website using already allotted secured login credentials so as to enable us to display the above updated details including yearly seats matrix on DCI's website.

2. In this connection, I am directed to say that you have not yet uploaded the above details of your college on DCI website even after repeated requests, therefore, the name of your Dental College with its complete details including seats matrix can not be displayed on DCI website (www.dciindia.org.in) for general public.

3. The above matter was considered by the Executive Committee of the DCI in its meeting held on 15.01.2016 at New Delhi and it was decided that the college authorities of all dental colleges be directed to upload the details of their dental college viz. infrastructure and faculty details on DCI website, within 30 days, so as to enable this Council to consider the same for upcoming inspections and further necessary action, failing which the details which are not uploaded on DCI website may be considered as deficiency.

4. In case, you have forgot/lost the password issued by DCI, you may reset the password by using the procedure of "Forgot Password" on login screen of DCI website.

5. For any assistance and help during uploading details on DCI website please feel free to email our technical support team at helpdciindia@gmail.com or contact at 011-23238542.
