Policy Decision; Staff & Infrastructural facility

- It has come to the notice of the Council that dental colleges after their recognition of BDS/MDS Degree are removing their teaching staff abruptly leading to vacant staff position for a considerable time thereby depriving the students & lowering the teaching standard.
- The college are hereby directed to maintain full permanent staff strength and infrastructural facility through out the academic session.
- All Colleges are directed to forward the entire staff position every three months to the Dental Council of India failing which strict action will be initiated as per Dentist Act & Regulation.
